On August 16, 2023, the North Carolina General Assembly ratified the NC Sess. Law. 2023-106, commonly known as the "Parents' Bill of Rights." The law enumerates the rights of parents to participate in and direct the education of their children. It also requires public school units, including charter schools, to adopt numerous policies implementing its provisions. The following model policies have been prepared and made available to members of the North Carolina Coalition for Charter Schools and have been adapted and adopted by the Pine Springs Preparatory Academy Board of Directors. As with any model or form, schools will need to adapt these policies to reflect their individual practices and procedures. Adapting these policies often requires a school to synthesize various laws and regulations, including the requirements of state and federal laws not reflected in the legislation itself.
